Allowance - tasdik - Institution No.140 of --- Ampar village - Coondapoor Taluk - Readmission with arrears - Recommended.

The tasdik allowance of Rs.2/- per annum due to institution No.140 known as Gudde Vinayaka Deva of --- Ampar village, Coondapoor Taluk, has been held in --- deposit since fasli 1323 on account of the absence of the moktessor, who appears to have disappeared from the village in 1914 and has not been heard of since. The Shivalli Brahmin Temple committee to which the institution in question belongs has thereupon issued a sanad in favour of one Koteshwar Adiga who is reported

to have been performing the services regularly in the temple ever since the disappearance of the late Moktessor and to have recently repaired the temple building. I therefore beg to recommend that the institution may be readmitted with arrears of tasdik allowance from fasli 1323. [illegible]
